Dear Clerk/Council

Membership of One Voice Wales – 2025-26

I am writing to invite your council to renew its membership to join One Voice Wales from 1 April 2025. Once again, the past year has seen many positive developments to our services and for the community and town council sector in general which we believe add significantly to the value for money offered by One Voice Wales membership.

We continue to represent the sector in a wide variety of ways. We have maintained and further enhanced our working relationships with the Welsh Government, Welsh Local Government Association (WLGA) – signing a new Memorandum of Understanding in October 2024, NALC, SLCC and a range of other national bodies strengthening the voice of the sector within the public services family in Wales and improving working relations with the Third Sector.

One Voice Wales continues to make significant contributions to public policy developments through our representation on several Welsh Government advisory panels and One Voice Wales is playing an ever-increasing role in the development of resources for the sector.

As current members are aware, we provide the following services outlined below, and we are aware from feedback from our members that all aspects of the service are highly valued.

- **Provision of free legal advice** from a team of experienced Solicitors which can save members significant time and cost compared with using local solicitors for advice (These savings can in many cases exceed the membership that is payable)
- **Quality and timely advice and support service** on topics relevant to member councils.
- **Training** for members and staff, including policy seminars and new working opportunities.
- **General information via our website including a members' area.**
- **Monthly** editions of our new '**E-Bulletin**'
- **Representation** of the sector on the Local Government Partnership Council.
- Creating **new opportunities for collaboration** with national organisations across Wales.

The **training and development** agenda is another area where much progress has been made during 2024-25 with the continued successful delivery of webinar-based training and continued growth in the number of courses available.

Furthermore, our **Consultancy Services** have been growing at a pace with many councils taking advantage of this service. We are increasingly able to provide 'One Stop Shop' solutions for our members.
