The plan is based on the work of the Disability Rights Taskforce, which brought together people with lived experience and expertise. It addresses real challenges faced by disabled people in their everyday lives and outlines both immediate actions and long-term outcomes to create lasting change in how society addresses barriers to inclusion.

Mae'r ymgynghoriad 12 wythnos yn croesawu mewnbwn gan unigolion, grwpiau cymunedol, busnesau a sefydliadau, gyda phwyslais arbennig ar glywed yn uniongyrchol gan bobl anabl am eu blaenoriaethau.

Mae'r ymgynghoriad ar agor tan 7 Awst 2025.

Cymerwch ychydig o amser i ddarllen y cynllun a rhannu eich barn.

Gallwch ddod o hyd i'r ymgynghoriad a manylion ar sut i ymateb yma:

The 12-week consultation welcomes input from individuals, community groups, businesses and organisations, with particular emphasis on hearing directly from disabled people about their priorities.

The consultation is open until 7 August 2025.

Please take some time to read the plan and share your thoughts.

You can find the consultation and details on how to respond here:
